

Two At A Time

Carsie Blanton

Intro

REPEAT 4X

Verse 1 & 2

How did the animals enter the ark? Two at a time, two at a time
 How many voices make harmony's bliss? Two at a time, two at a time and

Every elephant every lark two at a time two at a time, and
 How many lips do you need for a kiss? two at a time, two at a time, on

Back off the boat with a baby to raise, they came two at a time, two at a time, and
 How many knees do I kneel to pray? Two at a time, two at a time, as

How did the animals go to their graves? One at a time. so
 How many evenings slip into the day? One at a time.

Don't delay, send somebody in, life's a slow decay waiting for him
